Steph Meixsell--were all the kids sized? All the kids held up next to them, Teachers did it at Parkside, Parents did it at Palmer. We did the best we could to size the children. Why not sent a letter home?  
Teachers requested/ input that doing it this way was a better way because of lack of response would be higher sending it home. No extras are done with the Class year on the back, We have one or 2 with just the bomber logo on it.
